# ALL ABOUT THE SUN

THE SUN IS KNOWN AS A LUMINARY

**Rules:** Leo

**Day of the Week:** Sunday

**Metal:** Gold

**Colours:** Gold, orange, yellow

- Identity and life purpose
- What we're growing into
- The sun illuminates our path forward in this lifetime
- Where we shine in our brilliance and radiance

The sun represents the core essence of an individual. It signifies one's identity, ego, and sense of self. The Sun is associated with vitality, creativity, and personal power. It illuminates our basic personality and the fundamental traits that define us. As the central celestial body in our solar system, the Sun's position in the zodiac at the time of our birth reveals our primary motivations, natural inclinations, and how we express ourselves. It is the source of our life force and energy, guiding our journey toward self-realization and fulfilling our true potential.
